

Try Scottish Country Dancing!

Scottish country dancing is great exercise,
it's social, and it's stimulation for the brain.

It's danced in patterns, to the exciting music of jigs and reels,
as well as to Scotland's unique, elegant strathspey music.

The next series of nine classes runs from September 12, 2019 to November 7, 2019.

A discounted price of \$60 for 9 classes and a party
is payable on arrival for the first class.

New dancers are welcome to enroll on the first 2 weeks,
September 12 and 19.

Classes are led by certificated teachers on Thursday evenings from 7.30 to 8.45 pm,
followed by refreshments, and optional social dancing until 10 pm.

Venue is the Community Center of St. Barts.

See below for directions. Please arrive a few minutes early
to register, change shoes, etc.

You don't need to bring a partner – we change partners after every dance.

Please bring soft-soled shoes if possible.
